

Lunch & Learn

With Vibrance Medical Spa & Freed Plastic Surgery

Sponsored by Merz Aesthetics, makers of Belotero

What is Belotero Dermal Filler? • How does it work? • How soon can I expect results? • How long does it last? • Are there any side effects?

Join us for a healthy lunch and an information presentation where these questions, along with others, will be answered. Belotero is unique to the filler market. If you have soft facial lines in delicate areas, this may be the product for you!
