

Need a

Lift?

During the month of April at
Vibrance Medical Spa

Purchase two syringes of Voluma
and receive a **FREE** syringe of
Juvederm Ultra Plus (\$575 value)

As we age, it's not just about facial lines and wrinkles. We also lose volume in our cheeks and often the skin begins to sag. Voluma is the first and only FDA-approved injectable to instantly add volume to your cheek area. It can provide a subtle lift for up to two years.

Listen to what our patients and injectors are saying:

"This is by far my favorite filler on the market."

"I feel like I look 5 years younger."

"I didn't realize that a filler could help not only with my wrinkles but my saggy jowls. I love this product!"
